Volume 15, no. 5, p. 2188, column 2, sixth line from bottom: The sentence “Indeed, TPA treatment of mouse erythroleukemic cells greatly enhanced expression of the \( c-fos \) gene and of mRNAs for MafK, NF-E2 p45, and c-Jun (unpublished observation)” should read “Indeed, TPA treatment of mouse erythroleukemic cells greatly enhanced \( c-fos \) gene expression. However, TPA treatment only slightly enhanced \( c-jun \) mRNA expression and did not have any effect on the expression levels of mRNAs for MafK and NF-E2 p45 (unpublished observation).”
