

Erratum: A photoelectron spectroscopy study of methanol adsorption and oxidation on Ag(111)^{a)} [J. Vac. Sci. Technol. 20, 887 (1982)]

T. E. Felter^{b)} and W. H. Weinberg^{c)}

Division of Chemistry and Chemical Engineering, California Institute of Technology, Pasadena, California 91125

G. Ya. Lastushkina, P. A. Zhdan, and G. K. Boreskov

Institute of Catalysis, Academy of Sciences of the USSR, Novosibirsk, USSR 630090

J. Hrbek^{d)}

J. Heyrovsky Institute of Physical Chemistry and Electrochemistry, Czechoslovakia Academy of Sciences, Vinohrady, Czechoslovakia

(Received 6 July 1982; accepted 7 July 1982)

PACS numbers: 82.65.My, 82.20.Pm, 79.60.Cn, 81.60.Bn, 99.10. + g

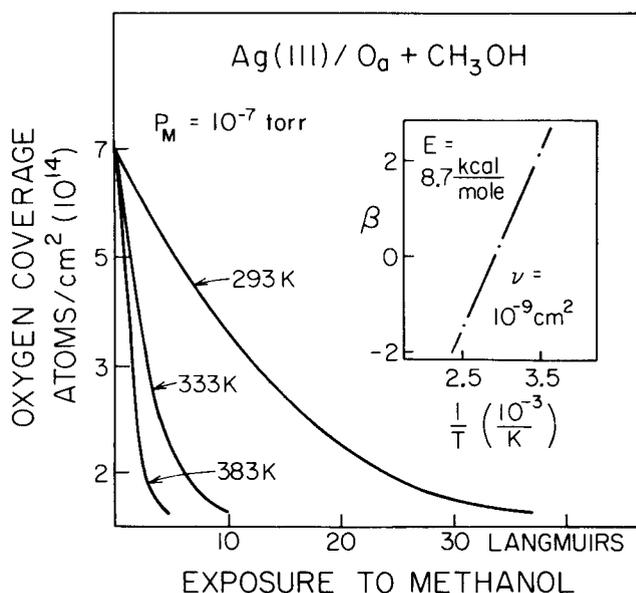

Several errors appeared during copy editing and layout. The last line of page 887 should be deleted. The drawing that appeared on page 888 represents the reaction model described in the text and Fig. 1, which appears in the right-hand column, was omitted.

^{a)} Supported by the National Science Foundation under Grant No. CHE77-10629.

^{b)} Present address: Sandia National Laboratories, Livermore, California 94550.

^{c)} Camille and Henry Dreyfus Foundation Teacher-Scholar.

^{d)} Present address: Exxon Corporate Research, P. O. Box 45, Linden, New Jersey 07036.

Erratum: Welch Memorial Lecture: Preparation, structural characterization, and properties of atomically clean surfaces [J. Vac. Sci. Technol. 20, 271 (1982)]

H. E. Farnsworth
