In the paper “Cosmic clocks: A Tight Radius - Velocity Relationship for HI-Selected Galaxies”, by G.R. Meurer et al., the journal listed in 31 entries in the references section was incorrectly given as “Ap&SS” (Astrophysics and Space Science) when they should have been listed as “ApJ” (the Astrophysical Journal). These correspond to all cases in the original paper with the journal listed as “Ap&SS”. The mistake arose in software we used to process the bibliography. The revised references for the incorrect entries are given below.
